ENCOUNTER ALL THESE AMAZING CHARACTERS!

As well as the classic *Street Fighter II* heroes and villains, this exclusive and original collection brings together characters from other editions of *Street Fighter* to thrill the most demanding fans of the saga.

Street Fighter IV featured an amazing cast of more than 40 characters, bringing back fighters from previous versions, with some new faces including C. Viper, Abel, Juri, El Fuerte and Seth.

The most recent installment, *Street Fighter V*, gave a new look to the classic characters and introduced new fighters such as Rashid, Necalli, Laura and F.A.N.G.

Street Fighter Alpha was set before *Street Fighter II*, and featured younger versions of the protagonists. New characters from the *Alpha* series, including Dan, Rose, R. Mika and Sakura, returned in later versions of the saga.
